HOSPITALIZATION AND EVACUATION REPORT, MD FORM 86f (Revised) II
REPORT OF VETERINARY MEAT AND DAIRY HYGIENE INSPECTION, WD MD FORM 110 III

I - SICK AND WOUNDED RECORDS.

Section II, Circular Letter No. 1, this office, dated 1 January 1945, is rescinded and the following substituted therefor:

1. General. Records of Sick and Wounded will be prepared in compliance with AR 40-1025, dated 12 December 1944.

2. Emergency Medical Tag. Carbon copies of Emergency Medical Tags will not be sent to this office. The disposition of carbon copies is left to the discretion of surgeon's of Armies, Base Sections and Air Forces.

3. Report Sheet (WD AGO Form 3-23) (old WD MD Form 51). The forwarding of unit report sheets, for prisoner of war medical installations to surgeon, MTOUSA, is not required. Base Section surgeons will forward only a consolidated report sheet together with all individual medical records.

4. Records to accompany report sheet. Individual medical records comprise: Medical Report Card (WD AGO Form 8-24) (old WD MD Form 52); Field Medical Card (WD AGO Form 8-27) (old WD MD Form 52c); Emergency Medical Tag (WD AGO Form 8-26) (old WD MD Form 52d) and MTOUSA MD Form No. 3.

4. Channels of transmission. All sick and Wounded Reports, except reports from prisoner of war medical installations will be forwarded through technical channels to Surgeon, MTOUSA, unless otherwise directed. Division, Corps, Army, Air Force and Base Section surgeons will thoroughly check these reports for accuracy. Incomplete reports or such records as are erroneous will be returned to the sub unit for correction. The entire report will be detained awaiting corrections and when corrected, it will be forwarded to Surgeon, MTOUSA, without delay.

a. Records comprising the report of Sick and Wounded will be either securely bound or packed in such a manner as to keep them intact.

b. Records of deceased personnel will be bound together in such a manner as to make them readily accessible for further checking.
